CONGRESSIONAL & INTERGOVERNMENTAL

Rep. Nancy Pelosi (D-CA-12): Regional Administrator Mike Stoker signed a letter today in response to an incoming letter (#AL-18-000-7427) from Congresswoman Nancy Pelosi regarding Hunters Point and Parcel A. The incoming letter was directed to Administrator Pruitt and the Secretary of the Navy and each responded separately. A copy of the incoming and outgoing response is available upon request to Brent Maier.

Rep. Doug LaMalfa (R-CA-1): Regional Administrator Mike Stoker signed a letter to Congressman LaMalfa as a follow on to a recent inquiry regarding the Shasta and Tehama County Irrigation Districts and their eligibility to apply for Water Infrastructure Finance and Innovation Act (WIFIA) funding for needed infrastructure improvements and offered up his contact information to invite a call to discuss how EPA programs might help with infrastructure or needs in the Congressman's District. A copy of the outgoing letter is available upon request.

Sen. Dianne Feinstein (D-CA): Brent Maier is awaiting word from Chesna Foord, Director of Scheduling and/or Freda Hawver Pachter, Deputy Scheduler in the DC Office of Senator Dianne Feinstein as to whether we can confirm a meeting for Regional Administrator Mike Stoker and Senator Feinstein when he is back in Washington, DC on June 27, 2018. We have received word that a decision is expected soon.

Sen. Kamala Harris (D-CA): We received word today from Michelle Rothblum, Director of Scheduling in the Office of Senator Kamala Harris that, unfortunately, Sen. Harris is not able to meet with RA Mike Stoker due to scheduling issues. Brent Maier sent a note thanking the Senators scheduler and letting her know that we will look for future opportunities when Regional Administrator Mike Stoker will be in Washington, DC again and perhaps reach out to request a meeting again.

Witnesses on the schedule include representatives of the National Pork Producers Council and the American Farm Bureau Federation -- two groups that often weigh in on EPA rules and have stridently opposed the Obama-era Clean Water Act (CWA) jurisdiction rule, among other policies they say will impose a high compliance burden on farms. 10:30am in Room 2360 of the Rayburn House Office Building <https://smallbusiness.house.gov/calendar/eventsingle.aspx?EventID=400964>

Friday, June 22, 2018 - House Energy and Commerce Committee – The Subcommittee on Environment is holding a June 22nd hearing entitled, “Advanced Biofuels Under the Renewable Fuel Standard: Current Status and Future Prospects” EPA's short-term plans to overhaul its implementation of the program have been halted thanks to opposition from corn-state senators. But oil industry critics of the program continue to argue that its renewable and alternative fuel production goals are unrealistic, and want lawmakers to reform the program or outright repeal it. 9:15am ET. <https://energycommerce.house.gov/hearings/advanced-biofuels-under-the-renewable-fuel-standard-current-status-and-future-prospects/>
